A SUN RESORT · MALDIVES

*unfettered
paradise*

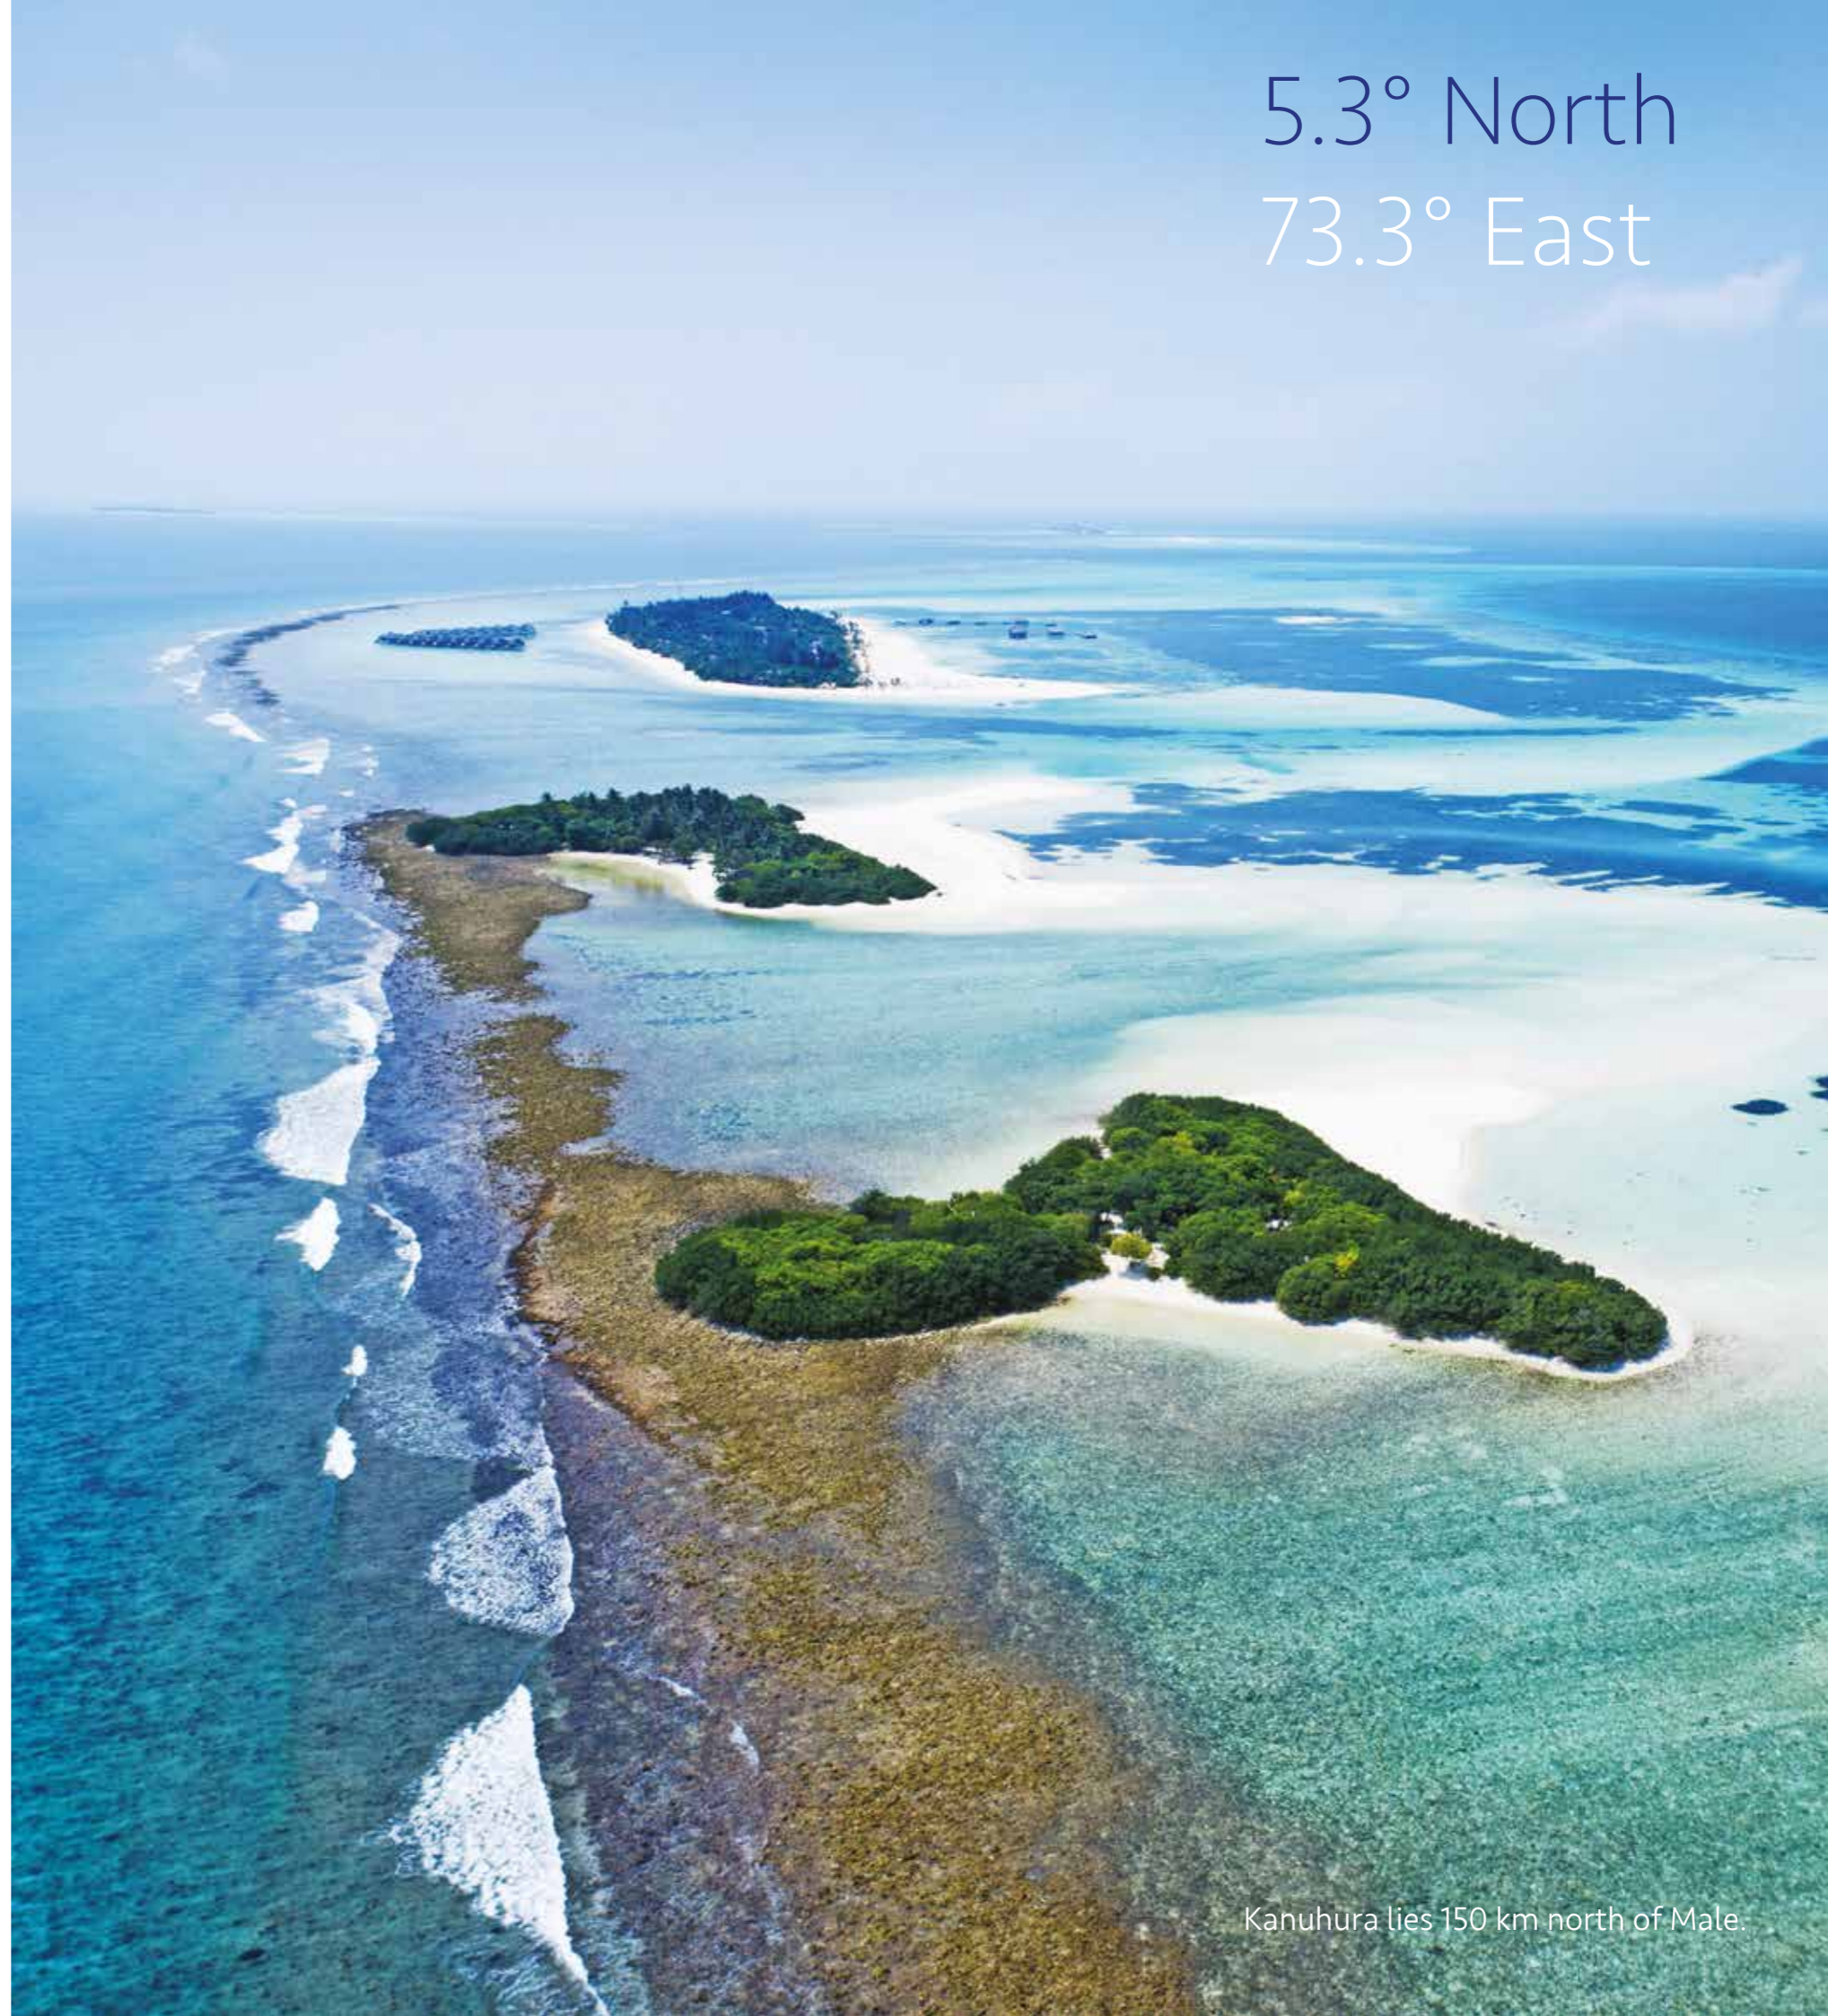

*A resort carefully curated
for the free spirited, wild hearted,
gypsy souls in mind...*

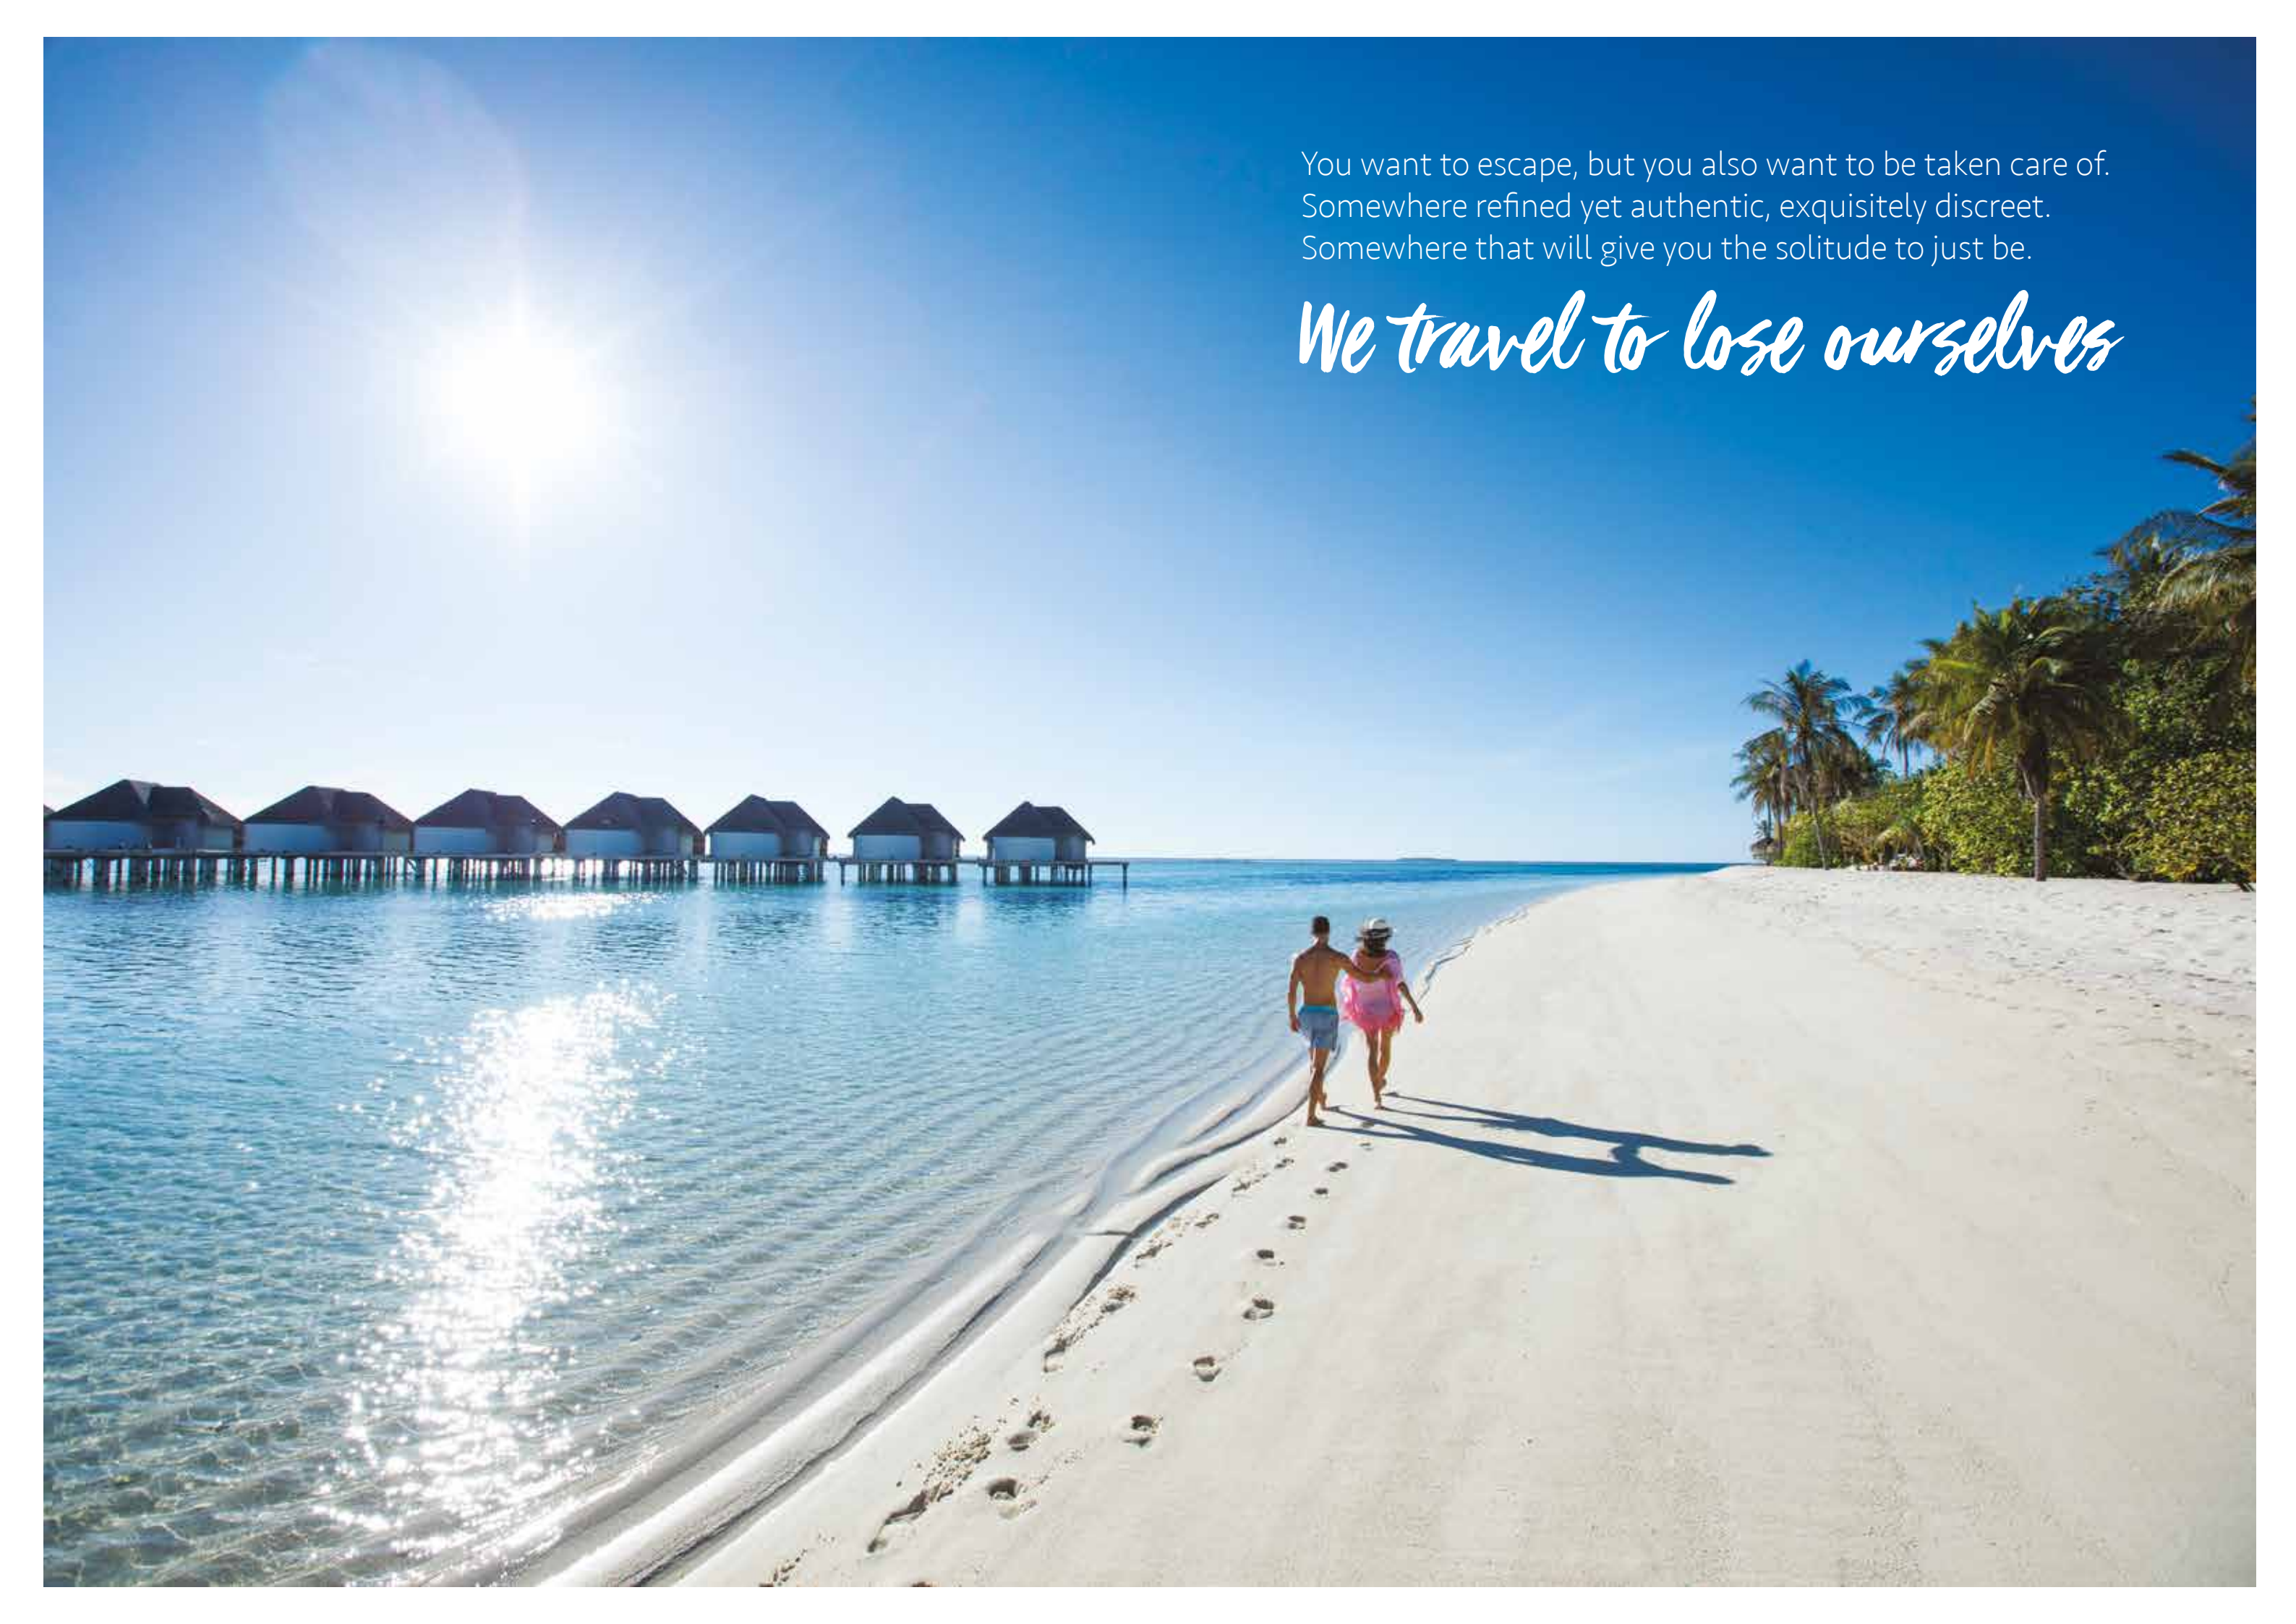

*Your gypset-chic hideaway,
lost in the middle of the Indian Ocean.
Where every moment is a
renewal of the senses.*

Kanuhura is nestled in the idyllic Maldives. An untouched, unfettered paradise, where each moment is a castaway-chic experience. Every footstep is a discovery, whether you're exploring Kanuhura or its two neighbouring islands, Jehunuhura and Masleggihuraa.

5.3° North
73.3° East

Kanuhura lies 150 km north of Male.

A tropical beach scene with a couple walking on the sand, overwater bungalows, and palm trees under a bright sun.

You want to escape, but you also want to be taken care of.
Somewhere refined yet authentic, exquisitely discreet.
Somewhere that will give you the solitude to just be.

We travel to lose ourselves

A photograph of a tropical resort lounge area. The scene is set outdoors on a sandy path, surrounded by lush tropical vegetation, including palm trees and other tropical plants. In the foreground, a large, dark wicker chair with a white cushion sits on the sand. To the right, a large, open-air lounge structure with a thatched roof and white pillars is visible. The interior of the lounge is furnished with modern, dark-colored seating and tables. The sun is low in the sky, creating a warm, golden glow and long shadows on the sand. The overall atmosphere is serene and sophisticated.

Tropical sophistication in a Wild Paradise

The islands are already perfected by nature's hands. The only thing left to do when designing the resort, was to seamlessly harmonise it with Kanuhura's environment.

Boduberu Lounge

You see pearls of land, sprinkled on a dip-dye tapestry of blue. Then the seaplane lands, and you've arrived.

Walk through Boduberu Lounge, meet our people, and take it all in: the natural minimalism of our décor, which heightens the incredible beauty of the island.

Unwind and wander.

Fendaa Lounge

A man and a woman are relaxing in a black rope hammock suspended over clear turquoise water. The woman is wearing a bright yellow dress and has her hands behind her head, laughing. The man is shirtless and wearing white briefs, leaning back with a smile. The background shows a tropical beach with white sand and lush greenery under a clear blue sky.

Refined living.

Our authentic 'treasure island' feel makes pirate games a true delight, and our locally themed activities and sand sports never hold a dull moment.

Into the blue

Let your adventurer's spirit roam across azure expanses.

Above the waves or beneath the water: it's all here. Cut the water on a catamaran, speedboat alongside dolphins, water ski, jet ski, wakeboard, canoe and SUP your way across the pristine Maldivian sea.

The Lhaviyani Atoll calls you to its depths: you'll find countless ways to explore its marine life, from scuba diving excursions and PADI certification courses to guided snorkelling trips.

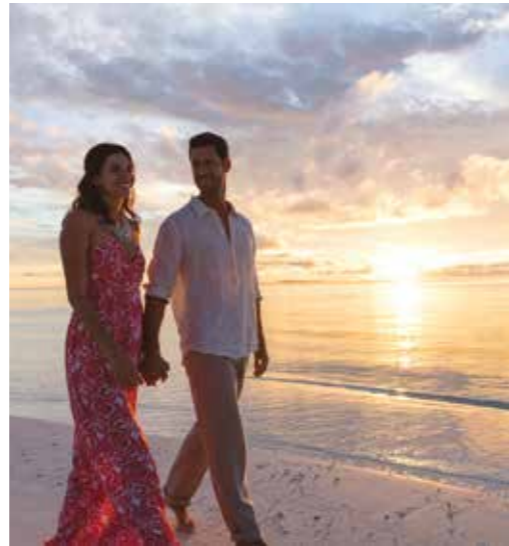

MALDIVES SEA TURTLES

During your stay at Kanuhura, you will most probably spot a few sea turtles whilst swimming, diving or snorkelling in the crystal clear waters around the resort. Gracefully gliding up to the surface for a breath of air before gliding back to the underwater realm...and they are often so close that you can get a really good look at their features.

Love, the Gypsy Way

Lovers, write your own stories.
Imbue yourselves with the beautiful spirit of
Kanuhura and let that energy take over you.
Create and forge memories that'll last a lifetime.

*A seashell is never empty.
It is filled with many things.
It holds the sounds of crashing waves
and songs that mermaids sing.*

Golden Hour: Our Dhoni Sunset Cruise

Never has a cruise been this magical – so extraordinary in fact, that we’ve made it into one of our signature experiences. Board our dhoni and drift away to the sound, and taste of true Maldivian culture.

dhoni: dēuni, a traditional Maldivian fishing boat.

Enchanting rhythms, an incredible atmosphere:
this is a cruise like no other.

Dance to boduberu music.

An explosion of flavour: all palates delight
in Maldivian canapés.

Into the Wild

A trio of delight:
Kanuhura, Jehunuhura, and Masleggihuraa.

*Sometimes, you find yourself in the middle of nowhere,
and sometimes in the middle of nowhere you find yourself.*

This is total freedom.

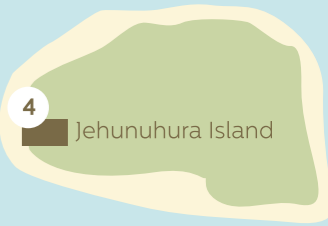

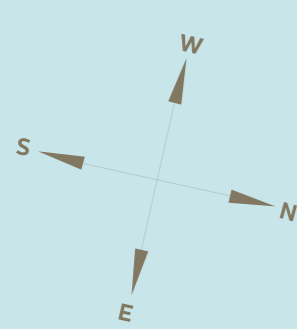

A few minutes away by shuttle lie two incredible islands, Jehunuhura and Masleggihuraa. Both are pure, untouched, uninhabited. This is solitude, redefined.

Let your gypset spirit come out to play: whether you're enjoying a picnic with your loved ones, or taking a dip in the bathwater-temperature lagoon, just live.
